Coed y Brenin Conference Venue

Coed y Brenin Visitor Centre & Venue is ideally located on the A470 in Mid Wales, just over an hour from the A55. The scenic location within Snowdonia National Park offers views of the forest and mountains.

The venue is ideal for meetings, conferences, workshops, corporate events and away days as well as family parties or social occasions - with the added bonus of award winning biking and hiking trails in the heart of the forest!

There is the option of hiring one of two bright, modern conference rooms, which can accommodate up to 30 and 40 delegates respectively, with sufficient acoustic reduction to enable two smaller events to run at the same time. Alternatively the venue can be hired exclusively and the space can be opened up in to a large venue with the capacity to hold 70 delegates.

Audio-visual equipment is included with each booking, including free Wi-Fi. The room has a large separate lobby adjacent to it which can be used for refreshments.

Key Features

- Ideally situated between North and Mid Wales
- 2 large, separate meeting rooms, with natural daylight
- All buildings and toilets are accessible for wheel chair users
