CELSA Manufacturing (UK) Ltd

Tremorfa Melt Shop
Tremorfa Works
Seawall Road
Cardiff
CF24 5TH

Variation application number
EPR/TP3639BH/V003

Permit number
EPR/TP3639BH

Tremorfa Melt Shop

Permit number EPR/TP3639BH

Introductory note

This introductory note does not form a part of the notice.

The following notice gives notice of the variation and consolidation of an environmental permit.

The Industrial Emissions Directive (IED) came into force on 7th January 2014 with the requirement to implement all relevant BAT conclusions as described in the Commission Implementing Decision. The iron and steel manufacture BAT conclusions were published on 8th March 2012 in the Official Journal of the European Union following a European Union wide review of BAT.

This variation incorporates the changes required by the Industrial Emissions Directive following a statutory review of permits in the iron and steel production sector. This includes the amendment of the wording of several permit conditions relating to notifications and also includes the addition of a condition relating to a requirement for monitoring of groundwater and soil.

The schedules specify the changes made to the permit.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.

Status log of the permit
