HIGHLIGHTS

Admire the panoramic view across the Crafnant Valley, with the Carneddau mountain range visible behind.

Climb steadily up a forest track to reach a log bench, and from here take in the view of Crimpiau and Craig Wen across the valley. Continue until the waymarkers send you off on a narrow forest path. You'll feel a change in atmosphere as you step into the dense shade and silence of a spruce plantation. Apart from the occasional squawk from a jay, the stillness is a pleasant contrast to the buzz around the lake on a busy day.
