Llwybr Mwynwyr Hafna
Hafna Miners' Trail

UCHAFBWYNTIAU

Darganfyddwch treftadaeth fwyngloddio gyfoethog yr ardal ar y llwybr hwn sy'n dolennu drwy nifer o fwyngloddiau, a phob un â'i hanes ei hun.

Dechreuwch yn y maes parcio islaw adfeilion Mwynglawdd Hafna. Mae'r goedwig wedi dechrau meddiannu olion y mwynglawdd ond eto, os edrychwch o gwmpas yr adfeilion, gallwch ddychmygu'r llafurio a ddigwyddai yma ar un adeg.

Mae llechweddau Gwydir yn frith o dwneli y bu mwyngloddwyr yn echdynnu plwm a mwyn sinc ohonynt. Llwybrwch ar draws y llechweddau llawn o goedwigoedd, heibio siafftiau cloddfa dwfn, capiog ac olion adeiladau mwynglawdd a adawyd ers amser maith.

HIGHLIGHTS

Discover the area's rich mining heritage on this trail that winds its way through several mines, each with their own story.

Start in the car park that sits below the ruins of Hafna Mine. The forest has started to encroach into the mine remains yet if you look around the ruins you can imagine the toil that once went on here.

The Gwydir hillsides are riddled with tunnels from which miners extracted lead and zinc ore. Thread your way across forest-clad hillsides, past a deep cutting, capped mine shafts and the remains of long abandoned mine buildings.

Start: Hafna car park
Grade: Moderate
Time: 1½-2 hours
Distance: 2¼ miles/3.6km
Climb: 212m

Description: Most of this trail is on forest roads connected by rough narrow paths less than 70cm wide in some places, on unmade and uneven surfaces, where you can expect mud, rocks and tree roots. There are several steep flights of steps on the trail, some with handrails, others without, and a single stile to cross at the top of Hafna mine.
