Follow the blue waymarker symbols
Start: Pont y Pair car park
Grade: Strenuous **Time:** 2-3 hours
Distance: 4½ miles/7.1km **Climb:** 357m
DESCRIPTION: This is a circular route which follows a series of forest roads and steep narrow footpaths, 70cm to 1m wide, on an unmade and uneven surface, where you can expect mud, rocks and tree roots. There are a number of sets of steps both on ascent and descent, a number of stiles, and two kissing gates. There are two benches on the trail allowing you to get your breath back on this mini-mountain walk.
